

**FOI Request: 77/2020:**

**Request:**

I would like to submit a Freedom of Information request to access the following information regarding drivers who have been convicted of the furious driving offence (conviction code DD90) please:

- For time periods 2019, 2018, 2014 and 2009 how many people in the UK have been charged for furious driving? (If possible, we would like the information split by full calendar year, or by month)
- Where possible, please can you identify the number of people who received a:
  - o Fine for furious driving
  - o Caution for furious driving
  - o Prosecuted for furious driving and given penalty points
  - o Total number of drivers fined/cautioned/prosecuted for furious driving.

If it is not possible to split the results as outlined, please could you provide just the total number of drivers prosecuted and given penalty points for furious driving?

**Response:**

I can confirm that there is no information held by Dyfed-Powys Police due to the fact that there are zero (0) charges or convictions recorded for furious driving during the specified time period.

*Please note: the offence of dangerous driving is more commonly used by police than the offence of furious driving.*
