DYFED-POWYS

FOI Reference: 572/2020

Request:

Please provide data on the total number of schools in your area that have school-based police officers? And whether there are plans for this number (in total) to increase in 2020-2021?

Please can this be broken down by:

- (i) The name of the school
- (ii) The number of officers based at the school currently.

Response:

I can confirm that there is no information held by Dyfed-Powys Police due to the fact that the force does not have any School Community Police Officers (SCPO's) which are permanently based in a particular school.

However, Dyfed-Powys Police currently has 14 SCPO's and all schools within the force area are visited by these officers in order to deliver the SchoolBeat Cymru program. Further details of this can be found here: <https://schoolbeat.cymru/>

It should be noted that as a result of the systems adopted by Dyfed-Powys Police in relation to the recording of such information that the information released may or may not be accurate.
