

Heddlu Police

DYFED-POWYS

FOI Request: 259/2021:

Request:

Please can you tell me how many formal complaints female Met officers have made regarding sexual discrimination or sexual harassment at work over the last three years (to the present day)?

For each complaint, please can you give me:

- a) details about / a description of the complaint
- b) the outcome of the complaint

If you can also give the following info, please do, but if this will take you over the cost threshold or involve personal information, please leave it out:

- c) the current employment status of the officer(s) being complained about including if they are suspended
- d) the current employment status of the complainant

Clarification:

- Apologies for the mistake. I meant complaints by female Dyfed Powys officers and staff against Dyfed Powys officers and staff.
- The request refers to both misconduct cases and grievances.

Response:

I can confirm that there is no information held by Dyfed-Powys Police due to the fact that there are zero (0) misconduct cases, and zero (0) grievances recorded within the specified time period, relevant to the request.
