Recruitment information pack

THINKING OF BECOMING A MEMBER OF POLICE STAFF AT

Dyfed-Powys Police?

Let us tell you more about who we are and what we can offer you:

- You can live and work in picture perfect towns or villages (or the smallest city in the UK!) surrounded by 350 miles of coastline and two of the three stunning Welsh national parks.
- We oversee the largest geographical policing area in England and Wales, covering 4,188 square miles and more than 8,500 miles of roads over the four counties of Carmarthenshire, Ceredigion, Pembrokeshire and Powys.
- We are proud to be one of the safest areas to live, work and visit in the UK - and arguably the most attractive too!
- It might be beautiful, but we police a diverse area with a mix of challenges - from small rural villages to larger, more densely populated towns, and areas which double in population during tourist seasons.
- Everyone in our policing family has a key role to play, whether that's behind the scenes or on the front line.
- We work together to fulfil our mission of providing a first-class service that is visible and accessible.

1.POSITION ELIGIBILITY

Am I eligible?

POLITICAL AFFILIATION

The police service has a policy of prohibiting any of their officers, staff or volunteers from becoming members of a proscribed terrorist organisation or group such as Combat 18 or the National Front, whose aims, objectives, or pronouncements may contradict the duty to promote race equality.

If you are a member of a proscribed terrorist organisation or similar, your application will be rejected.

FINANCIAL POSITION

Members of the Police Service are in a privileged position with access of information and could be considered potentially vulnerable to corruption. Therefore, applicants to the Police Service should not, be under pressure from undischarged debts or liabilities and should be able to manage loans and debts sensibly.

TATTOOS / PIERCINGS

Candidates with visible tattoos, body piercing or other body modifications may be considered eligible for appointment if the force considers that the individual case does not breach the Code of Conduct or constitute a risk to the health and safety of the staff and officers.

Tattoos are not a bar to appointment. However, some tattoos could potentially offend members of the public or colleagues or could bring discredit to the Police Service.

CONVICTIONS & CAUTIONS

You may still be eligible to join the police service if you have minor convictions/cautions, but there are certain offences and conditions that will make you ineligible. You MUST declare all convictions for past offences, formal cautions (including as a juvenile) and any bind-over imposed by the courts. You should also include all traffic convictions. Due to the nature of policing, it's essential that we conduct rigorous vetting checks on successful applicants before they can join the program.

CITIZENSHIP

You must be a British Citizen, citizen from the European Economic Area (EEA), Commonwealth citizen or foreign national with no restrictions on your stay in the United Kingdom.

RESIDENCY

You must have been continually resident in the UK for the three-year period immediately before an application is made. This is to satisfy the requirement to vet all applicants in an equitable manner and the UK Police service does not currently have any means of facilitating vetting checks overseas, to the extent required of those who have been resident in the UK. Applicants who cannot be vetted, cannot be appointed.

2. APPLICATION FORM QUESTIONS

This part of the application process is to find out more about you and your suitability for the role

The application form questions consist of multiple pages.

When you have completed each page, **click continue** to progress to the next page, ensuring that you have completed the information accurately.

CRIMINAL HISTORIES

On the application form you must :

- Confirm that you have read and understood the Rehabilitation of Offenders Act 1974 Guidance. If you have any questions about this, please contact the recruitment team.
- Declare any criminal convictions/investigations. This information will be used as part of your vetting checks, and you need to be truthful in your responses. If you answer 'Yes' to any of the questions, you will be prompted to give additional information. You can add more offences/convictions/investigations by clicking 'Add another instance'.

If you are successful at interview and receive a conditional offer for the role, we will then ask for information regarding the last five years prior to your application – education, employment and character referees will be sought. If you have any gaps in employment you will be asked to explain these.

We will NOT make enquiries with any of your previous employers until you have been issued with a conditional offer and we will not usually contact your current employer until you have passed the vetting stage of the process. If we need to contact your employers outside of the above terms we will make contact with you first.
