FOI Reference: 036/2021

Request:

I am currently researching what UK Police Forces are part of the National Enabling Programme for Office 365 and would be most grateful if you would provide me, under the Freedom of Information Act, details in respect to this.

Could I please ask if the force is currently utilising Office 365? If so, could you please inform me how long the force has been using this for?

If the force is not currently using Office 365, could I please ask when the force plan to go live with this?

Response:

I can confirm that Dyfed-Powys Police does hold the information requested, the details of which are as follows:

- Dyfed Powys police have been utilising Microsoft office 365 since 2020

It should be noted that owing to the systems adopted by Dyfed-Powys Police in relation to the recording of such matters the information provided may or may not be accurate.
