EQUALITY IMPACT ASSESSMENT

Section 4 of the Equality Act 2010 sets out the **protected characteristics** that qualify for protection under the Act as follows: Age; Disability; Gender Reassignment; Marriage and Civil Partnership; Pregnancy and Maternity; Race; Religion or Belief; Sex; Sexual Orientation.

The **public sector equality duty** places a proactive legal requirement on public bodies to have regard, in the exercise of their functions, to the need to:

- eliminate discrimination, harassment, victimisation, and any other conduct that is unlawful under the Act;
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The equality duty applies to all protected characteristics with the exception of Marriage and Civil Partnership, to which only the duty to have regard to the need to eliminate discrimination applies.

Carrying out an **equality impact assessment** involves systematically assessing the likely or actual effects of policies on people in respect of all the protected characteristics set out above.

An equality impact assessment should be carried out on any policy that is **relevant** to the public sector equality duty.

An equality impact assessment has been completed on this policy, click [here](#).

Volunteer Police Cadet Policy

1.0 Applicability - Scope of Policy

1.1 Dyfed-Powys Police defines a Volunteer Police Cadet as an individual with no Police powers who, through personal choice, attends a structured training and development programme in order to equip them to perform tasks for Dyfed-Powys Police without expectation or receipt of remuneration.

1.2 A Volunteer Police Cadet forms an integral part of Dyfed-Powys Police, however, they are NOT employees and have NO employment status. They will NOT be subject to a contract of employment.

1.3 The joining age for Volunteer Police Cadets is between 16 and 18 years.

2.0 Policy Aim

2.1 It is the aim of this Volunteer Police Cadet Policy to clarify the important relationship between Dyfed-Powys Police and Volunteer Police Cadets. It provides a framework for a consistent and appropriate approach to volunteering police cadets across the Force and supports the Force’s commitment to Neighbourhood Policing and the need to ensure effective community engagement with our young people.

2.2 This policy demonstrates the commitment of Dyfed-Powys Police to develop an effective partnership which is of mutual benefit, i.e. to encourage and support our young people through positive activities with the aim of building self-confidence and self-esteem, enabling young people to reach their full potential.

2.3 To enhance the relationships between the police and young people, building on the informal work already taking place at a community level through Neighbourhood policing and emphasising young people’s positive contribution to the communities in which they live.

2.4 Dyfed-Powys Police is committed both to its volunteer police cadet programme and to individual volunteer police cadets. This policy demonstrates that we wish to give due care and consideration to all aspects of involving volunteer police cadets within the Force.

2.5 Dyfed-Powys Police is committed to providing opportunities to young people through the volunteering police cadet programme and aims to enhance life skills and employment opportunities; particularly to those interested in the police service as a future career.

3.0 Policy Detail

3.1 Principles of the Relationship

3.2 Dyfed-Powys Police will not introduce Volunteer Police Cadets to replace paid staff or to cover staff vacancies or shortages.

3.3 The underlying principle of the partnership is that Volunteer Police Cadets complement and support on-going work of the Force.

3.4 The Volunteer Police Cadet Scheme aims to provide opportunities to young people (but not exclusively to those) who are interested in the police service as a future career; supporting Force commitment to succession planning.

3.5 Dyfed-Powys Police aims to be an inclusive organisation representing the communities which it serves in line with our Equal Opportunities and Diversity Policies. The Volunteer Police Cadet programme contributes to the implementation of these principles by extending the capacity of the Force to involve young people from all sections of the community who may not wish to commit to paid employment.
4.0 Management

4.1 The Chief Officer with responsibility for People Services will act as a champion for Volunteer Police Cadets supported by a nominated lead from each Territorial Policing area at Chief Inspector rank.

4.2 Volunteer Police Cadets must have a clearly identified line manager (Volunteer Cadet Leaders) who are responsible for day-to-day management. The Volunteer Cadet Leaders must be aware of their duty of care and will monitor the attendance, performance, training and welfare needs of Volunteer Police Cadets for whom they are responsible for.

4.3 The nominated Chief Inspector lead within each Territorial Policing area will have oversight and responsibility for all Volunteer Police Cadet issues.

4.4 A record of all hours of attendance should be kept and these records will be retained by the Volunteer Cadet Leaders.

4.5 Volunteer Police Cadets are subject to specific requirements and risk assessments should be undertaken for every activity a Volunteer Police Cadet undertakes. These risk assessments must be documented and retained by the Volunteer Cadet Leaders. All activities should be in line with the Volunteer Police Cadet role profile.

4.6 A personal file will be established for each Volunteer Police Cadet, which will be held by People Services. This will be accorded the same confidentiality as employee records. Volunteer Police Cadets will have access to their own records.

5.0 Recruitment of Volunteer Police Cadets

5.1 Volunteer Police Cadets will be recruited without regard to gender, disability, race, religion, or other aspects of diversity but candidates from minority communities will be encouraged to apply.

5.2 Volunteer Police Cadets should, however, be between the ages of 16 and 18. The Volunteer Police Cadet scheme promotes positive action, encouraging and providing young people exposure to the police service. The Volunteer Police Cadet scheme aims to provide opportunities and personal development for those who are unable to join as a Police recruit, due to being under the age of 18. The Volunteer Police Cadet programme supports the Dyfed-Powys Police ethos of succession planning and attracting and retaining high calibre individuals.

5.3 An application form should be used. All applicants will be required to attend an interview.

5.4 A Volunteer Police Cadet role profile outlines the major tasks and attainments required for the role.

5.5 Health clearance is required via the health questionnaire. Parental consent will be required in regards to the completion of the health questionnaire.

5.6 Volunteer Police Cadets are required to inform the Force of any disability or medical concern, via either People Services or the Occupational Health Unit to ensure that the performance of the role will not be detrimental to their health and ensure any necessary reasonable adjustments are made to the working environment.

6.0 Vetting – Volunteer Police Cadets

6.1 Volunteer Police Cadets will be expected to undergo appropriate security and vetting checks in line with Force policy. Volunteer Police Cadets cannot be appointed if they do not undergo and pass the Force security and vetting process.

6.2 Parental consent will be required in terms of providing this information.
7.0 Vetting – Volunteer Police Cadet Leaders and Programme Staff

7.1 Volunteer Police Cadet Leaders and Programme staff involved with the day-to-day running of the scheme will be required to undergo vetting checks in line with Dyfed-Powys Police Child Protection Procedures.

8.0 Risk Assessment and Health Clearance

8.1 A health and safety risk assessment should be undertaken by the Volunteer Cadet Leader on all tasks undertaken by Volunteer Police Cadets (this includes classroom based activities). These assessments should take account of any advice related to the health clearance. A record of all risk assessments should be recorded and retained by the Volunteer Cadet Leader.

8.2 All risk assessments will be regularly monitored by the Chief Inspector Citizen Focus.

8.3 All those who undertake the risk assessment process must be appropriately risk assessed trained.

9.0 Volunteer Police Cadets – Terms of Agreement

9.1 The involvement of Volunteer Police Cadets does not create a contract of employment. Volunteer Police Cadets will be, however, required to sign a Volunteer Police Cadet Agreement form setting out the basis of the partnership. Either partner may cancel the agreement at any time.

10.1 Volunteer Police Cadets will only be issued with their necessary uniform once induction has taken place and their identification card has been issued. As a condition of the issuing of uniform, Volunteer Police Cadets must also have demonstrated the required level of competence for the role and commitment through regular attendance (i.e. at least one month - taking into account absences due to examinations, illness or family holidays).

10.2 The uniform remains the property of Dyfed-Powys Police and will be returned if voluntary service is ceased or completed.

10.3 Uniform should only be worn at official police events and under no circumstances should be worn elsewhere.

11.0 Attendance Time

11.1 Volunteer Police Cadets will be required to attend two-hourly weekly meetings. Police Cadets will also be required to take part in expeditions, activity weekends and personal development opportunities.

11.2 Volunteer Police Cadets will also be encouraged to volunteer for additional activities, which may include crime prevention initiatives, police training events, community projects or specific festivals.

11.3 The Volunteer Police Cadet programme runs for a two-year period; Volunteer Police Cadets are required to commit to the programme through-out this two-year period.

11.4 Volunteer Police Cadet Leaders will be responsible for recording hours of attendance and reasons for absence undertaken by Volunteer Police Cadets on a weekly basis. Police Cadet Leaders will also be responsible for the retention of attendance records.

11.5 Volunteer Police Cadets who are in paid employment are encouraged to advise their primary employer that they are undertaking voluntary services and of the approximate hours in which they are committing to Dyfed-Powys Police.

12.0 Training and Involvement
12.1 All Volunteer Police Cadets are required to receive a formal induction with Dyfed-Powys Police before starting as a Volunteer Police Cadet. The induction programme will outline the essentials of the Volunteer Police Cadet programme and the requirements of the role. The induction will be conducted by the Volunteer Police Cadet Leader, Learning and Development staff and the Chief Inspector lead. A visit to Police Headquarters will also be part of the induction.

12.2 Each Volunteer Police Cadet will be issued with a Force ID card (not a warrant card) bearing the identification of VOLUNTEER POLICE CADET / CADET GWIRFODDOL HEDDLU. The ID card is to be worn whenever the individual is undertaking Volunteer Police Cadet duties with Dyfed-Powys Police.

12.3 Volunteer Police Cadets will have access to Force computer systems based on need and in line with Force procedures on Data Protection and Information Security, and are subject to the same rules regarding use and confidentiality. Volunteer Police Cadets will be required to abide by the Data Protection Act and The Official Secrets Act.

12.4 Volunteer Police Cadets should be allowed, subject to relevance and availability, to undertake relevant training courses. Training which is not directly relevant to the Volunteer Police Cadet programme will not be authorised.

12.5 Volunteer Police Cadets will always be accompanied by the Volunteer Police Cadet leader; or those who have been appropriately trained and vetted to supervise Volunteer Police Cadets. This review will also ensure that it is in the interests of both the individual and the Force that the relationship continues.

13.2 If the Volunteer Police Cadet has not been available and the reason for that is not known to the Force, they should be contacted to clarify the reason and to confirm whether they still wish to continue as a Volunteer Police Cadet.

13.3 Should any issues of dispute arise these should be considered by the Chief Inspector Citizen Focus after submissions by both parties. Their decision will be final on behalf of the Force.

14.0 Insurance

Referrals should be made by their Volunteer Police Cadet Leader or Chief Inspector lead.

16.3 Volunteer Police Cadets will have access to sports and exercise facilities once they have attended the exercise equipment authorisation and induction course run by a qualified local member of staff.

17.0 Recognition

17.1 All Volunteer Police Cadets who complete the two-year programme, to the required level of competence and commitment, will be presented with a Volunteer Police Cadet certificate at the Volunteer Police Cadet Ceremony.
