

FOI Reference: 813/2016

Request:

Please tell me the number of sex offences recorded against under 18s that took place in a sports ground, sports / leisure centre or swimming pool where the occupation of the suspect was as a sports coach, lifeguard or sports volunteer.

I would like details of these offences over a two-year period (2014 and 2015), broken down by year, by age group and gender of the victim.

Response:

I can confirm that there is no information held by Dyfed-Powys Police as there are zero crimes recorded as depicted in the request.

It should be noted that owing to the systems adopted by Dyfed-Powys Police in relation to the recording of such matters the information provided may or may not be accurate.

Police Forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the data. It should be noted that for these reasons this Force's response to your questions should not be used for comparison purposes with any other response you may receive.
